

G4G@WORK DAY AT AIG IN DUBLIN!

AIG AND GREENLIGHT FOR GIRLS (g4g) ARE WORKING TOGETHER TO HELP INSPIRE YOUNG WOMEN IN STEM!

We're thrilled to announce that we're teaming up for our *second* event at AIG offices in Dublin, Ireland! Students will have the opportunity to take part in a full day of science discovery at our signature event & most popular initiative – gear up for hands-on & interactive STEM fun!

Join us at AIG in Dublin to be a part of the fun!

A GLIMPSE INTO SOME OF THE WORKSHOPS...

Science in Everyday with Daisies

A daisy represents a great deal – from mathematics & science in nature, to a symbol of possibilities, freshness & youth. We will explore our signature daisy experiment while the girls customise their lab coats and see it transform!

Coding Challenge

Girls will be able to be a programmer for a day as they learn the technology and knowledge behind coding using code.org!

Virtual Reality AIG HAKA 360°

The AIG HAKA 360° is a cutting-edge virtual reality app which allows you to experience the sensation of being on the field during a live HAKA performance with the All Blacks!

Chocolate² – Statistics & Speed of Light

Learn about statistics, risk & probability with M&Ms – then learn the secret of calculating the speed of light with chocolate at your house!
