A GLIMPSE INTO A FEW WORKSHOPS...

We will offer many activities and hands-on workshops throughout the day on every aspect of STEM, especially interactive training in the digital world through the technology that Nokia is known for!

g4g Codebreakers:

Get ready to become a programmer and learn the basics of coding in a fun & visual way on code.org.

g4g DNA Necklace:

Learn about the molecules of life as we extract our own DNA... that's right, our OWN DNA... and wear it as a pendant as scientific jewelry!

Light it up with Plasma Physics:

Discover the mind-blowing phenomena of electromagnetic, light & sound waves, & the unique roles they play in our environment w/ plasma balls!

Join us for a full day of science discovery as g4g and the Nokia team explore how STEM links to everything around us!

Anything is possible!

ABOUT US
