

SATURDAY 25TH FEBRUARY 2017

G4G DAY @ OXFORD

Inviting 100 girls aged 11-14 to the very FIRST greenlight for girls (g4g) Day in partnership with Oxford University Department of Physics!

* Registrations begin Monday, January 11th
CONTACT [Kathryn Boast](#) for more info!*

Join us for a full day of science discovery as g4g and the Oxford team explore the linkage of everything around us to Science, Technology, Engineering and Mathematics!

WHEN & WHERE

Saturday 25th Feb 2017
9:00am to 5:30pm
University of Oxford,
Department of Physics

WHAT

A day of interactive, hands-on fun using Science, Technology, Engineering and Maths
THIS IS A FREE EVENT

WHO

100 girls aged 11-14 from local schools

HOW

We invite inspiring role model professionals and organisations to lead 45-minute workshops that show the link to STEM; 12-15 girls per workshop; a chance to experience three workshops over the day

THERE IS MORE...

AGENDA

- 9:00 – 9:30 am:** Registration & Labcoat Decoration
9:30 – 10:15 am: Opening Plenary & Demonstration
10:15 – 10:55 am: Workshop 1
10:55 – 11:45 am: Workshop 2
12:15 – 1:30 pm: Lunch & Tour of Pembroke College
2:45 – 3:35 pm: Workshop 3
4:00 – 5:30 pm: Closing Ceremony, Surprise Activity & Departure

What will you have a chance to experience?

We will be offering many activities and workshops throughout the entire day that highlight every aspect of STEM. From *levitating trains* and *superconductors* to *beach ball accelerators* and the *power of charge*, our shows will blow you away!

We'll have workshops ranging from *astrophysics* to *human health*, there is going to be something for everyone to get involved with.

Come join us, quench your curiosity, get courageous and be inspired by all the amazing science discoveries around you!

Inspiring girls around the world...
anything is possible!

ABOUT US

greenlight for girls, asbl (g4g) is a registered non-profit headquartered in Brussels, Belgium

OUR STORY

began about 5 years ago, since then we have reached more than **13,000 students** by conducting **90+ hands-on events & activities** across **6 continents** with the help of **2,000+ volunteers**.

SUCCESS

We measure the success of engaging children in STEM through tracking their progress and sharing their stories. On average **94% of the participants** at any g4g event state they wish to pursue STEM.
