

G4G DAY @MADRID

SATURDAY, 16 DECEMBER 2017

greenlight for girls (g4g) Day is a signature one-day girl-focused event that demonstrates the **fun in science & technology** through hands-on workshops and activities run by volunteer role-models in STEM fields. These are free events open to the local community for girls aged 11-15.

greenlight for girls (g4g) is an international organisation dedicated to inspire girls of all ages and backgrounds to pursue STEM (Science, Technology, Engineering and Math) subjects by introducing them to the world of science in fun and exciting ways. Engaging over **3,500+ volunteers** worldwide, g4g has hosted more than **190+ events on 6 continents** and touched the lives of thousands of girls around the world!

In partnership with **Cisco**, we are launching the first ever g4g Day @Madrid and inviting **170 girls** to participate!
